### **Rule 101. Summons, Subpoenas and Garnishments**

The following procedures and requirements will apply to the filing of the various pleadings mentioned herein in the offices of the Clerks of the District Court of this district.

- (b) All requests for subpoenas in cases other than criminal cases shall be accompanied by the completed subpoena to be served together with sufficient copies to allow service upon the person to whom the subpoena is directed and return of service by the process server. If requested by the court or clerk in any case, a written praecipe for subpoena shall be filed prior to issuance of the subpoena or subpoenas.
- (c) All requests for writs of execution or garnishment shall be accompanied by the writ of execution or garnishment, completed to the extent possible, and copies thereof for service and return of service by the Sheriff or process server.
- (d) Requests for issuance of warrants, summonses or subpoenas in criminal cases shall be accompanied by the warrant, summons or subpoena to be served, completed to the extent possible, together with sufficient copies thereof for service upon the person to whom such documents are directed and for return of service of the documents by the process server.
- (e) Case numbers for new case filings shall not be furnished by the Clerk of the District Court to any person or party in advance of filing of the case. Case numbers will be assigned to new cases by the Clerk of the District Court upon proper filing of the case.
- (f) All orders to pay funds held by garnishees to the Clerk of the District Court shall be mailed or otherwise served upon the garnishee by the attorney or party seeking payment of the funds.

## **II. PRETRIAL MATTERS**

### **Rule 201. Publication Costs**

- (a) Publication costs in all cases shall be paid by the attorney or litigant directly to the newspaper(s), subject to reimbursement through the court.

**Rule 202.     Witness Fees**

- (a) Except in criminal cases all witness fees and mileage shall be paid by the attorney or litigant directly to the witness(es) subject to reimbursement through the court. Payments to witnesses by check, money order or similar method may be attached to the summons for delivery to the witness by the process server.

**Rule 203. Appointed Attorneys (Non-felony)**

- (a) Attorneys will be appointed as counsel for indigent misdemeanor defendants, and in juvenile, mental illness, alcohol and drug and other cases for which the counties of the district are responsible on a rotation basis from the list of attorneys maintained in each county except in counties within the District who have contracted for those attorney services, and in those counties, contract attorneys will be appointed.
- (b) Counties within the District may elect to contract with a sufficient number of attorneys to provide indigent defense and other attorney services for which the county is responsible.
- (c) Any person for whom the court has appointed counsel under this rule shall be required, consistent with the ability of such people to do so, to reimburse the county for the reasonable cost of the services provided by counsel.
- (d) The Chief Judge shall provide, by Administrative Order, a schedule of reimbursement amounts to be assessed to defendants in non-felony cases, based upon reasonable categories of services rendered with reasonable amounts assessed for each category of service. These amounts will be used to determine the amount of reimbursement ordered under subsection (c) of this rule. This schedule may be amended from time to time as the Chief Judge may deem appropriate.

**Rule 204. Continuances**

- (a) No continuance will be granted and no hearing or proceeding will be considered as continued unless a written motion for continuance has been filed and a written order has been approved by the assigned judge or, in the absence of the assigned judge, the Chief Judge, prior to the hearing or trial in question. The requirement of a written order may be waived orally by a judge in an emergency situation on the condition that a written order be supplied by the attorney or party requesting the continuance as soon as practicable thereafter.
- (b) In criminal, juvenile, alcohol or mental illness cases, if no continuance has been granted as specified in the above paragraph, and the prosecution or petitioner does not appear in court ready for the hearing with necessary witnesses available, the case will be dismissed for lack of prosecution. In the event a criminal defendant does not appear, it will be considered a violation of bond conditions, and a bench warrant will be issued for the defendant. In the event neither party appears, the case will be dismissed.
- (c) No continuance will be granted on the day the hearing is scheduled in the absence of compelling cause for such continuance.

**Rule 205. Procedure for Waiver of Preliminary Hearing.**

- (a) In the event a defendant wishes to waive his or her right to a preliminary hearing, the defendant must appear at the time scheduled for the preliminary hearing to enter such waiver on the record.
- (b) The judge assigned to the case, or in such judge's absence, the Chief Judge, may, for good cause shown, issue a written order allowing a defendant to waive his or her right to a preliminary hearing in writing. An example of good cause which may form the basis for such order is the necessity for the defendant to travel a substantial distance to appear to enter his or her waiver.
- (c) Any written waiver of preliminary hearing shall be signed by the defendant.

**Rule 206. Preliminary Hearing Record**

- (a) A written request for a record of testimony at a preliminary hearing must be filed with the court at least 48 hours prior to the scheduled hearing. The court may make a record without such request but will not be compelled to do so.

**Rule 207. Dismissal of Cases for Failure to Expedite; Automatic Dismissal of Chapter 61 Cases**

In order to assist our district court in complying with Kansas Supreme Court Standards relating to the timely resolution of cases, the following shall apply:

- (a) Any case brought under Chapter 61 of the Kansas Statutes Annotated in which service of process upon a defendant or defendants has not been completed within 90 days of filing will be dismissed without prejudice. This period may be extended by timely application and written order of the court. The period will be extended for the time specified in the application and order.
- (b) The court will periodically review all cases, of whatever nature, pending in this court to monitor compliance with Kansas Supreme Court standards for timely resolution of cases. In the event no action, or insufficient action, has been taken in such case, the court will notify the parties in writing that the court intends to dismiss the case after a period of time specified in the notice. The notice shall be sent to the attorneys of record, or if no attorney appears of record, the party or parties to such case, at the last known address of the attorney or party appearing in the case file.
- (c) If no action or insufficient action is taken by the parties to expedite the resolution of the case within the time set forth in the notice, the court will dismiss the case without prejudice. As an alternative to dismissal, the court may take such other action as it deems appropriate to expedite the case after due notice to the parties.

**Rule 208. Appointment of Interpreters**

- (a) The Court, upon inquiry and interview of any person before the Court or upon motion or notice by counsel or a party, shall make a determination as to the necessity for an interpreter in accordance with K.S.A. 75-4351, et. seq.
- (b) Any person in need of interpreter services shall, personally or through his or her attorney, make written request for an interpreter at least 72 hours prior to any hearing, proceeding or trial at which such services are necessary. The notice shall contain the caption of the case and the date and time of the trial, hearing or proceeding. It shall also specify the type of interpretation required.
- (c) The Clerk of the District Court shall maintain a list of qualified interpreters in accordance with K.S.A. 75-4353. Upon receipt of the written notice, the Clerk shall secure a qualified interpreter from the list for the scheduled hearing. Any party objecting to the selected interpreter must file with the court their objections prior to the hearing or trial.
- (d) Interpreters shall be paid for services and milage shall be reimbursed at a rate determined by the Chief Judge. Fees for interpreters paid by the state board of indigent defense services shall be in accordance with standards adopted by such board. Interpreter costs may be assessed to any party, person or entity as the Court deems appropriate, subject to any limitations provided by applicable law.

## **Rule 209A Final Pretrial Conference Procedure – Court’s Scheduling Order**

This rule supplements K.S.A. 60-216, as amended from time to time, and Kansas Supreme Court Rule 140. In all K.S.A. Chapter 60 civil cases, including domestic relations cases, the following additional procedures and requirements shall apply:

- (a) As soon as practicable after filing of a K.S.A. Chapter 60 case, the court shall evaluate the case to determine its complexity and how best to bring the case through the litigation process and to final hearing. The court will make an order scheduling hearings, such as a case management conference, a discovery conference and preliminary and final pretrial conferences, to expedite handling of the case. The court may also establish a preliminary trial date. Any pretrial conference not designated a preliminary conference in the order shall be considered a final pretrial conference. The court will, except in unusual circumstances, not schedule a final pretrial earlier than 21 days prior to trial.
- (b) The names of witnesses, and their addresses, shall be listed in the pretrial questionnaire, which shall be filed with the court, and copies served on other parties to the case, at or before the time of the pretrial conference. Ordinarily, the court will not allow additional time after pretrial to list witnesses. General references to witnesses, without a witness’s name and address, such as “Records Custodian for Acme Corporation,” are unacceptable. Any witness not identified as required herein will not be allowed to testify at trial except in rebuttal, or to avoid manifest injustice.
- (c) At the pretrial conference, each party shall furnish actual copies of all exhibits that party intends to introduce into evidence at trial to the other party or parties to the case. The court will, upon proper request, make appropriate orders concerning exhibits not reasonably amenable to reproduction. This procedure is intended to give each party the opportunity to review the exhibits of other parties at the pretrial conference, and thus to promote stipulations, waivers of foundation, and similar time saving procedures and to eliminate later arguments at trial as to whether exhibits have been properly provided in discovery to opposing counsel.
- (d) Each party shall prepare, in either PDF, WordPerfect or Microsoft Word format, and for audio, photographic or video exhibits, appropriate formats, such as .jpg and .mp3. copies of all exhibits the party intends to introduce at trial. These exhibits shall be recorded on standard digital media, such as CD, DVD or USB flash

drive (thumb drive). Other suitable formats or media may be used with prior approval of the court. The court may waive this requirement concerning, and make necessary orders or provisions for, exhibits not reasonably amenable to reproduction. These digital copies of intended exhibits shall be provided to the court at or before the final pretrial conference.

- (e) **IMPORTANT NOTE:** For trial, each party shall prepare two trial notebooks containing all exhibits the party intends to introduce at trial. These exhibits shall be given exhibit numbers or letters, with the identity of the sponsoring party shown as part of the exhibit number. (Examples: Plaintiff's Exhibit 1, Respondent's Exhibit A) One notebook shall contain original exhibits for the official record. The second notebook shall be prepared for use by the judge. This procedure is adopted for clarity of the record, to save time at trial, and to allow the judge to mark upon the judge's copy of the exhibits for later reference. An index shall be prepared and placed as the first page or pages in the exhibit notebooks. The index shall contain a brief description of each exhibit opposite the exhibit number, and a place for the judge to indicate whether each exhibit was offered for evidence, and a place to indicate whether the exhibit was admitted.
- (f) At pretrial, each party shall be prepared to designate the portion or portions of voluminous documentary exhibits, or of lengthy audio or video recordings, the party intends to introduce as evidence at trial. Upon request of any party at the pretrial conference, the court may require such designation by the party who intends to sponsor the exhibit at trial if such designation is reasonably practicable.
- (g) While stipulations, waivers of foundation and similar time saving procedures are encouraged, and may apply to any or all exhibits offered or intended to be offered as evidence by a party, the judge retains the right to admit only exhibits and other evidence referred to in testimony or argument, or which are otherwise relevant to the issues tried. Exhibits which do not meet these standards may be excluded by the judge from the record, and removed from the exhibit notebook containing exhibits for the official record.

Any exhibit not filed with the court and served on other parties to the case in accordance with this rule, shall not be admissible at trial except in rebuttal, or to avoid manifest injustice. (Adopted 09/01/06; Amended 01/19/2016)

**Rule 209B. Domestic Relations Cases – Mediation, Pretrial Hearing Procedure**

- (a) **Definition of Contested Domestic Relations Case.** As used in this rule, the term “contested domestic relations case” shall mean actions for divorce and separate maintenance or child custody and post judgment motions for change in child custody, support or visitation, in which evidence is to be presented to the court, and the resolution of all or part of the issues is to be by decision of the court rather than by agreement of the parties.
- (b) **Contested Domestic Relations Cases, Necessity for Pretrial Conference Prior to Trial Setting, Exceptions.** In all contested domestic relations cases a party wishing to schedule a trial or other contested hearing in which some or all of the issues presented in the case will be before the court for final disposition shall schedule a pretrial conference with the court, the pretrial conference to be held no less than seven days prior to the trial or hearing. No trial or final hearing shall be conducted by the court unless there has first been a pretrial conference, or an order of the court is entered excusing the requirement for a pretrial conference for good cause shown. A pretrial conference may also be scheduled by the court.
- (c) **Pretrial Conference, Presence of Parties Required; Exceptions.** All party litigants in any contested domestic relations case shall be personally present at the pretrial conference, except that any party who resides 100 or more miles from the court house where the pretrial conference is to be held shall not be required to attend so long as that party is available for contact by telephone by the court or counsel at the time of the pretrial conference, and at all times during the pretrial conference. For good cause shown, the court may excuse the personal presence of a party or the requirement that a party be available for telephone contact.
- (d) **Pretrial Questionnaire Required; Form.** Each party, personally or by their attorney of record, shall, at or before the time of the pretrial conference, supply the court and all other parties in the case a completed and signed pretrial questionnaire in substantial conformity with the form set forth in Appendix A of these rules.
- (e) **Mediation Required in Disputed Child Custody or Visitation Matters; Exceptions.** The parties to any contested domestic relations case in which child custody or visitation is disputed shall, prior to any trial or hearing in which these issues are to be finally decided by the court, submit the disputed issues of custody and/or visitation to mediation. This requirement may be excused by the court for good cause shown. This provision does not apply to interlocutory orders.

(Revised - New Rule No. - 09/01/06)

**Rule 209C. Pretrial Conference Required In Certain Child In Need Of Care and Juvenile Offender Proceedings.**

- (a) Unless waived by the court, a pretrial conference shall be held in all Child in Need of Care and Juvenile Offender Proceedings prior to any hearing, such as a hearing for temporary orders, adjudication or disposition, or for review, which hearing is scheduled for two hours or more on the court's calendar. The pretrial shall be scheduled by the party requesting the setting for the hearing.
- (b) The pretrial procedure specified in Rule 209A(b) and ( c) hereof shall apply, except that the parties may, prior to the pretrial, request an alternate method of listing witnesses or exhibits, and request alternate or additional pretrial procedures.

The written agreement shall state in detail all provisions of the agreement between the parties, including, but not limited to, charges to be dismissed, charges to be amended, restitution to be paid by the defendant, recommendations to be made by the prosecutor or defense, and any agreement of the prosecutor or defendant not to oppose motions or requests by the other party in any hearing or hearings.
- (b) This rule shall also apply to juvenile offender proceedings.
- (c) The court will not conduct a hearing to accept a plea until the provisions of this rule have been complied with.

## **Rule 218. Requests for and Subpoenas of Privileged Treatment Information**

- (a) Whenever a party requests or seeks to obtain by subpoena, the disclosure of a patient's privileged information or records, as defined in K.S.A. 65-5601, *et seq.*, HIPPA or other applicable law, the requesting party shall file a motion with the district court. The motion shall specify the applicable exception or exceptions to the privilege as provided in K.S.A. 65-5603, HIPPA, or other applicable law which the requesting party contends will permit the disclosure of otherwise privileged information or records.
- (b) A copy of the motion shall be served, with the subpoena requiring their attendance in court, upon the treatment facility, treatment personnel, or ancillary personnel from whom the requested information or records are sought. Except as provided in subsection d. of this rule, the treatment facility, treatment personnel or ancillary personnel shall comply with the subpoena by appearing at the time and place specified in the subpoena, with the records or information contained therein.

However, if the facility or personnel have objection to disclosure of the records or information, such facility or personnel may file such objection in writing prior to or at the time of the court hearing for which the subpoena was issued, or may do so orally at the hearing for which the subpoena was issued. Such facility or personnel may be represented by counsel at the hearing strictly on the issue of compliance with the subpoena and the issue of privilege. The court shall, at the time and place specified in the subpoena, determine whether the privilege applies and whether the information or records should be disclosed.

- (c) In the event a business records subpoena or similar subpoena is issued for the information or records, which subpoena does not require attendance at a hearing by any employee or agent of the facility, or by other personnel, the motion specifying the exception or exceptions to the privilege which may apply shall be served with the subpoena. The subpoena shall be served at least ten (10) days prior to the date for compliance with the subpoena, unless excused for good cause by the court as shown in an order which shall also be attached to the subpoena.

The facility, treatment personnel or ancillary personnel to whom the subpoena is directed shall have up to ten (10) days or to the date specified by the court order referred to in the preceding sentence, to file a written objection to the subpoena. If such objection is filed, the party who caused the subpoena to be issued shall set the issue for hearing and notify all other parties to the case and the facility or personnel to whom the subpoena was issued of the time and place of said hearing. At the hearing the court shall determine if the privilege applies and whether the information or records should be disclosed.

- (d) The treatment facility, treatment personnel or ancillary personnel shall not be required to comply with a subpoena or written request for records or information where the requesting party has failed to attach to the subpoena the motion setting forth the applicable exception or exceptions to the privilege as provided in K.S.A. 65-5603, HIPPA, or other applicable law which the requesting party contends will permit the disclosure of otherwise privileged information or records.

(a) If a person has been taken into custody for violation of criminal laws prior to a complaint having been filed in the appropriate court of this judicial district, and such person has been released pursuant to Local Rule 219 and the Automatic Bond Schedule, or pursuant to bond and/or bond conditions set by order of a judge, the following shall apply, unless a specific order by a judge shall provide otherwise:

1. **Person Supervised by Community Corrections or Court Services.** If a complaint has not been filed by the County Attorney or other prosecuting authority within seven (7) days of the date the person was placed on bond supervised by Community Corrections or Court Services, or the expiration of an extended period of time established by specific court order for good cause shown, such supervision shall terminate. However, the person theretofore supervised shall remain on bond, and shall remain subject to any bond conditions imposed by law, local rule or court order other than the order for supervision. Thereafter, the following paragraph shall apply to such person.

2. **Person Not Supervised by Community Corrections or Court Services.** If a complaint has not been filed by the County Attorney or other prosecuting authority at or before the time and date for such person's appearance as given to the person at the time of his or her release pursuant to Local Rule 219(g), or any substitute date established by court order, the person shall no longer be under the jurisdiction of the court by reason of the detention, and shall be free from any bond, conditions of bond, or further obligation to the court arising from the detention. The time for filing of charges as specified above may be extended by court order for good cause shown.

This rule shall not prejudice the right of the County Attorney or other prosecuting attorney to file charges as allowed by law, nor shall it prevent the court, upon filing of charges, from requiring bond or imposing bond conditions.
